O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Clara Crittenden as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Clara Crittenden is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Clara Crittenden on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Clara Crittenden as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ooteya Chewaloogs as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ooteya Chewaloogs is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Ooteya Chewalooga on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ooteya Chewalooga as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Rachel Dego-tono-he as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Rachel Dego-tono-he is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1904, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 24, 1905, a published list containing the names of all persons [illegible] in these applications, who had not thereto-fore been [illegible], was issued in the form of a supplement to several [illegible] of general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons in said list concerning whom no information could be [illegible] prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of

Rachel Dego-tono-he on September 1, 1902.

It is therefore ordered: That the application for the enrollment of Rachel Dego-tono-he as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rysell, J. W. Horn, David McDaniel, George Morgan, W. J. Civil Action No. 80-1234

Complaint for Declaratory and Injunctive Relief

Plaintiffs, by their attorneys, allege as follows:

1. This is a civil action arising under the Constitution and laws of the United States, 42 U.S.C. § 1983, and the First and Fourteenth Amendments thereto. Jurisdiction is conferred on this Court by 28 U.S.C. § 1331 and § 1343.

2. Plaintiffs are residents of the City of Riverton and have been denied permits to hold a peaceful demonstration in front of the Riverton Municipal Building on the grounds that the demonstration would "disturb the peace" and "create traffic problems." These reasons are pretextual and violate plaintiffs' rights of free speech and assembly.

3. Plaintiff Mary Ann Thompson is a resident of Riverton and a member of the Riverton Tenants' Association. She has lived at 1247 Elm Street for twelve years.

4. Plaintiff Robert Garcia is a resident of Riverton and a member of the Riverton Tenants' Association. He has lived at 1249 Elm Street for eight years.

5. Defendant Riverton Board of Zoning Appeals is a municipal body charged with the administration of the zoning ordinances of the City of Riverton.

6. Defendant James P. Whitfield is the Chairman of the Riverton Board of Zoning Appeals. He is sued in his official capacity.

7. On March 3, 1980, plaintiffs applied for a permit to hold a peaceful demonstration on March 15, 1980, from 12:00 noon to 2:00 p.m. in front of the Riverton Municipal Building. The purpose of the demonstration was to protest the failure of the Board to enforce the housing code against landlords who refuse to make necessary repairs.

8. On March 10, 1980, defendants denied plaintiffs' application, stating that the demonstration would "disturb the peace" and "create traffic problems."

9. Plaintiffs have no adequate remedy at law other than this action for declaratory and injunctive relief.

WHEREFORE, plaintiffs pray that this Court:

A. Declare that defendants' refusal to grant plaintiffs a permit violates their rights under the First and Fourteenth Amendments;

B. Enjoin defendants from enforcing the challenged provisions of the zoning ordinances against plaintiffs' demonstration;

C. Award plaintiffs their costs and reasonable attorneys' fees; and

D. Grant such other and further relief as this Court deems just and proper.

Dated: March 20, 1980

Respectfully submitted,

Counsel for Plaintiffs

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Cherokee D 2161

In the matter of the application for the enrollment of Authur Evriage as a citizen of the Cherokee Nation.

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Authur Evriage as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Authur Evriage is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Ida Goodman et al., as citizens by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Ida, Clyde and Willis Goodman as citizens by blood of the Cherokee Nation.

The evidence shows that the said Ida, Clyde and Willis Goodman have made application to this Commission for enrollment as citizens by blood of the Choctaw Nation, and that this Commission has enrolled them as such, their names appearing upon the partial roll of Choctaw citizens by blood approved by the Secretary of the Interior on April 11, 1903, at numbers 14467, 14468 and 14469, respectively.

Section twenty-eight of the act of Congress approved July 1, 1902 (32 Stats., 716), provides:

"No person whose name appears upon the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation."

It is, therefore, the opinion of this Commission that the application for the enrollment of Ida Goodman, Clyde Goodman and Willis Goodman as citizens by blood of the Cherokee Nation should be denied, under the provisions of law above quoted, and it is so ordered.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. In the matter of the application for the enrollment of Bettie Hinurn as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Bettie Hinurn as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Bettie Hinurn is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the [illegible] persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Bettie Hinurn on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Bettie Hinurn as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

The record herein shows that on June 30, 1902 Emmet Starr appeared before the Commission, at Muskogee, Indian Territory and made application for the enrollment, as citizens by intermarriage of the Cherokee Nation, of the following named persons, whose names appear upon the Cherokee Tribal Rolls in the possession of the Commission, and for whose enrollment no previous application had been made: to-wit:

George W. Collins, William L. Morris, Martha Geedy, John Thompson, Laura Thompson, Mary Ann Wood, and Margret Russell, whose names appear upon the authenticated tribal roll of 1880, and Sallie R. Jordan, Anna Miller, William H. Slack, James H. Wilkerson Parley L. Dutcher, Thomas Gregory, Mary J. Hilderbrand, Luther Thornton, and Amos Kiper, whose names appear upon the Cherokee Census Roll of 1896.

An examination of the said Tribal Rolls shows that

all the applicants herein are intermarried white persons.

The Commission has made diligent inquiry, covering a period of about three years, to secure information relative to the status of the applicants, and, from the information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents from the Districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section twenty-five of the Act of Congress approved July 1, 1902 (32 Stat., 716) provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September 1, 1902, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of George W. Collins, William L. Morris, Martha Coody, John Thompson, Laura Thompson, Mary Ann Hood, Margret Russell, Sallie E. Jordan, Anna Miller, William H. Black, James H. Wilkerson, Parley L. Butcher, Thomas Gregory, Mary J. Hilderbrand, Luther Thornton, and Amos Kiper as citizens by intermarriage of the Cherokee Nation be, and the same are hereby dismissed without prejudice.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

David M. Faulkner, being duly sworn, and examined by the Commission, testified as follows:

Q What is your name? A David M. Faulkner.
Q And your age? A Sixty-one.
Q What is your post office? A Hanson.
Q You are a citizen of the Cherokee Nation? A Yes sir.

Q Do you know a Cherokee by the name of Jack Jumper? A Yes sir.
Q About how old is he? A Well, I guess he is in the neighborhood of thirty, somewhere along there. I don't know exactly his age.
Q This man is fifty-seven years old; do you know any other Jack Jumper in Sequoyah District? A I was just Studying about his father. I don't know about his father.
Coming Jumper is the one I might have reference to. If this man is that old I might be mistaken in his age; I wouldn't take him to be much more than thirty.
Q Is he a full-blood? A Yes sir, full blood Cherokee.
Q He belongs to that class who is opposed to enrollment? A No sir, I think not.
Q Has the Jack Jumper you know made application to be enrolled, do you know? A No sir, I don't know; I believe he enrolled at Muldrow. Mr. Dan Holt will likely know more about it.

The undersigned, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and correct transcript of his stenographic notes thereof.

Q Are you a citizen of the Cherokee Nation? A Yes sir.
Q Did you know a man by the name of Jack Jumper? A Yes.
Q Was he a Cherokee by blood? A I think he was a full blood Creek. There might have been a little Cherokee blood in his father or mother, I don't know, but I took him to be a full blood Creek.
Q How long did you know him? A Ever since he was a very small boy. We were pretty near raised up together, I saw him all the time.
Q Do you think he would have been enrolled in 1880 in Sequoyah District? A He was enrolled either in Goingsnake or Sequoyah, I don't know which.
Q Was he recognized as a Cherokee citizen? A Yes, he was claimed as a citizen.
Q You say he is dead? A Yes sir.
Q How long is it since he died? A About fifteen years ago, and may be a little ~~after~~ over.

Q You don't know whether his wife is living or not? A I don't know.
Q Did he have any family? A No, I don't know that.
Q Did you know any other Jack Jumper besides this one? A I am acquainted with one that lives down in Sequoyah, they call him Jack Jumper.
Q A young man? A Yes sir.
Q He is living? A Yes, but I haven't seen him for some time. I guess he is living.
Q Was he any relation to the one that died fifteen years ago, do you know? A No, no relation.
Q About how old was this Jack Jumper that you knew? A He is over fifty, the old man, and this other one is about forty or less, I don't know.

Q You know a Jack Jumper? A Yes sir.
Q About how old is the Jack Jumper you know? A He is comparatively a young man, I suppose, about forty years old.
Q He is the one that was enrolled on the 1880 roll as Coming Jumper? A He is the one.
Q Did you know any other Jack Jumper? A No sir.
Q Did you know Coming Jumper's father? A No sir, I did not.
Q Do you know who he was? A No sir.
Q I mean the young Jadk Jumper, the one that you knew? A Yes, I know him.
Q You say he died during the war? A His father died during the war is my understanding. His name was Just Jumper.
Q This Jack Jumper is a full blood Cherokee, is he? A Yes sir.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Isaac A. Jacobs as a citizen of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on June 30, 1902 Emmet Starr appeared before the Commission, at Muskogee, Indian Territory and made application for the enrollment of Isaac A. Jacobs as a citizen of the Cherokee Nation. Further proceedings were had in the matter of this application at Tahlequah, Indian Territory on November 24, 1903 and on March 4, 1904.

It further appears from the record herein that on March 4, 1904 Isaac A. Jacobs appeared before the Commission and elected to be finally enrolled and to take his allotment of lands and distribution of moneys as a citizen of the Choctaw Nation, and an examination of the records of the Commission shows that he has been finally enrolled as such citizen.

Section twenty-eight of the Act of Congress approved July 1, 1902 (32 Stat., 716) provides:

> "No person whose name appears upon the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation."

It is, therefore, the opinion of this Commission that the application for the enrollment of Isaac A. Jacobs as a citizen of the Cherokee Nation should be denied, in accordance with the provision of law above quoted, and it is so ordered.

Dear Sir:

It appears from the records of the Commission that Isaac A. It further appears that this applicant has been recognized and enrolled by the tribal authorities of the Cherokee Nation as a citizen of that tribe in Indian Territory.

You are requested to advise the Choctaw-Chickasaw Enrollment Division as to whether any application has ever been made by or on behalf of this applicant for enrollment as a citizen of the Cherokee Nation, or whether his name has ever been listed by this Commission for enrollment as such, and if so, what disposition has been made of his application.

Respectfully,

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rysell, J. W. Horn, David McDaniel, George Morgan, W. J. DEPARTMENT OF THE INTERIOR.
COMMISSION TO THE FIVE CIVILIZED TRIBES.
ATOKA, INDIAN TERRITORY, FEBRUARY 23, 1901.

In the matter of the application of Thomas D. Lee, his wife and two minor children to be enrolled as citizens of the Choctaw Nation, and to elect as such citizens under the provisions of the twenty first section of the act of Congress of June 28, 1898.

S T A T E M E N T .

Thomas D. Lee, twenty eight years of age, Leila C. Lee, his wife, an intermarried white person, twenty six years of age, and their two children, Willie H. Lee and Mamie A. Lee, appear upon the records of the Commission, listed for enrollment as doubtful claimnts to citizenship in the Choctaw Nation on Choctaw roll card field number D 396; the names of these persons having been placed upon a doubtful card for the reason that it appears that Thomas D. Lee has received benefits and been enrolled as a citizen by blood of the Cherokee Nation, and there is on file with the records of the Commission evidence of his marriage to his white wife, Leila C. Lee, under the laws of the Cherokee Nation, the marriage license having been issued by Isaac Jacobs, District Judge of Sequoyah District, Cherokee Nation.

Thomas D. Lee, having been duly sworn, testifies as follows:

Examination by the Commission.

Q What is your name? A Thomas D. Lee.
Q How old are you, Mr. Lee? A I will be twenty nine my next birthday.
Q What is your post office address? A Atoka.
Q How long have you resided in the Choctaw Nation? A I have been here ever since somewhere about the first of '96.
Q Came here in '96? A Yes sir, in '96.
Q Came here with your family? A Yes sir.
Q Where did you come from? A From the Cherokee Nation here.
Q You had lived in the Cherokee Nation prior to the time when you had moved to the Choctaw Nation in '96? A Yes sir, I lived there off and on up till I married, until about two years after I was married, or three or something like that and then I came here.
Q What is your father's name? A James.
Q James Lee? A Yes sir.
Q What tribe of Indians did he belong to? A He was Cherokee.
Q How much Cherokee? A I suppose he was about a quarter.
Q What was your mother's name? A Elizabeth Goar, Choctaw.
Q She was a Choctaw? A Yes sir, raised about twenty miles below here.
Q She lived in the Cherokee Nation with your father? A Yes sir.
Q When did she go from the Choctaw Nation to the Cherokee Nation?
A Where?
Q When? About how long ago? A I could not tell you that; directly after they were married, though.
Q That is, if I understand you correctly, your father, a Cherokee

Indian, came into the Choctaw Nation and married your mother, and after their marriage they moved to the Cherokee Nation?
A Yes sir.
Q Did they always live there up to their death? A Yes sir.
Q Your father and mother both died in the Cherokee Nation? A Yes sir.
Q You were born in the Cherokee Nation? A Yes sir.
Q And you lived there up to 1896 when you and your wife and what family you had returned to the Choctaw Nation? A Yes sir.
Q You had never had any residence in the Choctaw Nation prior to 1896? A Well, not, not myself, up to the time when I become twenty one and I came here then at the request of Green McCurtain and William H. Harrison, as William was the guardian over us three children, two sisters, after mother died and he was appointed guardian over some estate here for us, and on father's side we had a guardian on our father's side, one of his brothers, for us, until we was twenty one and consequently we had to remain there until we was of age, and after I was of age I come here and got acquainted with some of my connections.
Q Was you ever enrolled on the Choctaw rolls by the Choctaw tribal authorities prior to the time your name was placed on the 1896 census roll? A I could not tell you, unless it was placed there by Harrison.
Q Did you in 1893, that would be about eight years ago, draw what was known as the Leased District payment? A No, I didn't myself.
Q Did any one draw it for you? A I don't know, I understand that Harrison drew it for me, I didn't get it myself. I have been told that he has; my youngest sister drew hern, she was here before I w was. She got hern.
Q In 1880 you were living in the Cherokee Nation? A Yes sir.
Q Do you know whether you were enrolled there in 1880? A In 1880? What was that for?
Q That was what is known as the authenticated Cherokee roll; the roll was made up and adopted by the Cherokee legislature as the roll of citizenship? A Was that when that payment was made up there? Q No sir, that is twenty one years ago.
A I could not tell you.
Q When you lived in the Cherokee Nation what district did you live in? A In Sequoyah; that was where I was born, there.

There appears upon the 1880 authenticated roll on page 707, Number 796, Sequoyah District, the name of Tom Lee, ten years of age.

A Yes, I was placed there by John Lee; he was my guardian, that is my father's brother; yes, he was my guardian.
Q Were your parentsliving in '80? A No sir, I was only about eight years old when they died; yes sir, I am the eldest one, I just can remember myself, I was small.
Q Now you state that you had two sisters? A Yes sir.
Q That were younger than you? A Yes sir.
Q Who are they? What are the names? A One of them's name is Beck and the other Landram; they are married; Janie Landram, that is her name, and Nannie M. Beck is the other, that is the youngest one; her post office is Stringtown; that is the one who drew that last payment of $103.00 here.
Q Now were you litting in the Cherokee Nation when the 1895 Strip Payment was made to the Cherokees? A Yes sir.
Q Did you draw that? A Yes sir.
Q Did you draw for anybody beside yourself? A I drawed for Emmet my youngest child, he is dead; he died there.

Q Do you know whether your name was placed on the 1896 census roll in the Cherokee Nation? A Where, up there?
Q Yes sir? A No sir, I have authorized nobody; I forfeited all my rights to come here; it was requested that I would have to take my land on my mother's side; the Commissioners withdraw, consequently I can't.
Q You drew the '94 strip payment of the Cherokee Nation as a resident of Sequoyah District? A Yes sir.
Q Have you always been recognized in the Choctaw Nation? A I have.
Q Both you and your family since you came here in 1896 as citizens?
A I have; no dispute at all; voted and everything.
Q Mr. Lee, from an examination of the records and your testimony, it appears that you have been recognized and enrolled as a citizen of both the Choctaw and the Cherokee Nations? A I claim no rights at all there on the question of my connections and have presumed before I moved here that I would have to take my allotment on my mother's side; that the Commissioners withdraw to the mother's side when they were Indians.
Q Now when you came to the Choctaw Nation from the Cherokee Nation were you ever adopted by an act of the Choctaw Council? A Was I?
Q Yes? A Not as I know of.
Q The Citizenship Commissipn placed you on the 1896 roll as a citizen? A Yes sir.
Q You and your wife? A Before they accepted my wife as a Choctaw citizen, they requested me to get a certificate from the Judge of the Cherokee Nation who married her before they would accept her as a Choctaw citizen, consequently I had to send back and get my certificate before they would accept her.
Q Have you ever been married to Leila C. Lee under the Choctaw law?
A No sir, that is not the law; they transfer from one nation to the other.
to
Q The only law that you have been married under to Leila C. Lee is the Cherokee law? A Yes sir; that isn't the law; where they are citizens a Choctaw man or a Cherokee man either one marries a white woman, why they don't have to get no license, has not been ever since I can recollect.
Q You stated that the time that you came here in '96 and the Citizenship Commission enrolled you as a Choctaw that they accepted the Cherokee certificate of your marriage to Leila C. Lee?
A Yes sir, they did.
Q And enrolled your wife as an intermarried Choctaw? A Yes sir.
Q Did they ever require anything more from you, any other marriage certificate? A Did not.
Q Who was on that Commission at that time? A Why, I could not tell you. Isaac Jacobs, the Judge that married us is a cousin to Green McCurtain; he is a Choctaw himself, Isaac Jacobs; he has been in the Cherokee Nation ever since I can recollect.
Q Well, Mr. Lee, it appears that you and your family have been recognized and enrolled as citizens of both the Choctaw and Cherokee Nations, but in the creation of rolls of citizens of the Five Tribes of Indian Territory, the Commission is only empowered to place the names of persons for enrollment upon the rolls of one tribe--
A Yes sir.
Q And under the provisions and the act of Congress of June 28, 1898, it is provided that:

"The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only,

and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere." Now, under the provisions of this section of the act of Congress of June 28, 1898, do you elect for yourself, your wife, and your children, to be finally enrolled as citizens of the Choctaw or Cherokee Nation? A Of Choctaw, because I am here.

Q If the Commission so enrolls you and your wife and your children as citizens of the Choctaw Nation, and your name is approved upon the final rolls of the Choctaw Nation, do you, for yourself, your wife and your children, relinquish all your right, title and interest to the lands, moneys and privileges of the Cherokee Nation?
A I do.

Anna Bell, having been first duly sworn, on her oath states that, as stenographer to the Commission to the Five Civilized Tribes, she reported in full all proceedings had in the above entitled cause on February 23, 1901, and that the above and foregoing is a full, true and correct transcript of her stenographic notes in said cause on said date.

DEPARTMENT OF THE INTERIOR

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Thomas D. Lee, Willie H. Lee, Maude A. Lee and Mamie A. Lee, as citizens by blood, and for the enrollment of Leila C. Lee as a citizen by intermarriage of the Choctaw Nation.

D E C I S I O N .

It appears from the census card and other records in this case that Thomas D. Lee appeared before the Commission at Atoka, Indian Territory, on August 21, 1899, and made personal application for the enrollment of himself and his two minor children, Willie H. Lee and Maude A. Lee, as citizens by blood of the Choctaw Nation, and for the enrollment of his wife, Leila C. Lee, as a citizen by intermarriage of the Choctaw Nation; and that thereafter, on February 18, 1901, written application was made to this Commission for the enrollment as a citizen by blood of the Choctaw Nation of Mamie A. Lee, infant child of Thomas D. Lee and Leila C. Lee, proper proof of the birth of said child, on February 4, 1901, being filed with the Commission on the date of said application. Further proceedings were had in the matter of these applications at Atoka, Indian Territory, on February 23, 1901, and in the matter of the application for the enrollment of Leila C. Lee at Atoka, Indian Territory, on November 20, 1902. At the proceedings had at Atoka, Indian Territory, on February 23, 1901, proof of the death of the minor applicant, Maude A. Lee, was made to the Commission.

The evidence in this case shows that Thomas D. Lee is the son of James Lee, deceased, a citizen by blood of the Cherokee Nation, and Elizabeth Lee, deceased, a citizen by blood of the Choctaw Nation; that applicant Leila C. Lee was married to Thomas D. Lee on October 5, 1893, in accordance with the laws, customs and usages of the Cherokee Nation; and that the minor applicants herein are the offspring of said union.

On an examination of the tribal rolls of the Choctaw Nation in the possession of the Commission, the names of Thomas D. Lee (as Thos. D. Lee), and Willie H. Lee (as Willie Lee), are identified on the 1896 Choctaw census roll, numbers 8322 and 8323, respectively, enrolled as citizens by blood of said Nation. The name of Leila C. Lee (as Lula Lee) , is identified on said roll, number 14,790, enrolled as a citizen by intermarriage of said Nation. Applicant Mamie A. Lee, having been born subsequent to the preparation of the last tribal rolls of the Choctaw Nation, is identified by proper evidence of birth filed with the Commission and made a part of the record in this case.

The evidence in this case further shows that all of the applicants herein who were living on June 28 , 1898, were residents in good faith in Indian Territory; that applicant Thomas D. Lee had resided in said Territory all his life prior thereto, and that the residence of his minor children, Willie H. Lee and Mamie A. Lee, is considered that of their father; that Leila C. Lee,

since the date of her marriage, on October 5, 1893, with Thomas D. Lee in the Cherokee Nation, has lived continuously in Indian Territory with her said Choctaw husband up to and including September 25, 1902.

It further appears from the records herein that at the proceedings had in the matter of this application at Atoka, Indian Territory, on February 23, 1901, applicant Thomas D. Lee appeared in person before the Commission and under the provisions of the act of Congress approved June 28, 1898 (30 Stat., 495), elected for himself, his wife, Leila C. Lee, and his minor children, Willie H. Lee and Mamie A. Lee, to be finally enrolled as citizens of the Choctaw Nation, and to take allotment of lands and distribution of moneys in said Nation.

It is, therefore, the opinion of this Commission that Thomas D. Lee, Willie H. Lee and Mamie A. Lee should be enrolled as citizens by blood, and that Leila C. Lee should be enrolled as a citizen by intermarriage of the Choctaw Nation, in accordance with the provisions of the acts of Congress approved June 28, 1898 (30 Stat., 495) and July 1, 1902 (32 Stat.,, 641), and it is so ordered.

It is further the opinion of this Commission that the application for the enrollment , as a citizen by blood of the Choctaw Nation, of Maude A. Lee, who died prior to September 25, 1902, should be denied under the provisions of section twenty-eight of the act of Congress approved July 1, 1902 (32 Stat., 641), and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Tom Lee as a citizen of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, at Muskogee, Indian Territory, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Tom Lee as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2185.

The records further show that the said Tom Lee possesses the right to enrollment as a citizen of the Choctaw Nation; that at Atoka, Indian Territory, on August 21, 1899, he appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen of said Nation, and on February 23, 1901, appeared before said Commission at said place and elected to be enrolled and to take his allotment of lands and distribution of moneys in the said Choctaw Nation. It is further shown that the said Tom Lee, as Thomas D. Lee, is included in a partial roll of citizens by blood of the Choctaw Nation approved by the Secretary of the Interior October 15, 1903, opposite No. 14969, and that he has voluntarily selected an allotment of land in the Choctaw-Chickasaw country.

Paragraph eight, section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495), provides:

> "The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight section twenty-one of the Act of Congress above noted, Tom Lee is not entitled to enrollment as a citizen of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

He is identified as Thomas D. Lee, and is included in a partial roll of citizens by blood of the Choctaw Nation approved by the Department October 15, 1903, opposite number 14969, and he

voluntarily selected an allotment of land in the Choctaw-Chickasaw country.

In view of the record and paragraph 6 of Section 21 of the Act of Congress approved June 28, 1898,(30 Stats.495), relating to the enrollment and election of members of the tribes, the approval of the decision of the Commissioner to the Five Civilized Tribes is recommended, and it is further recommended that the application of this party for enrollment as a Cherokee be denied.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

Q State the circumstances how he became a member of your family?
A There was a man and woman traveling through the country, and stopped and got dinner and they had this child, and after they had gone we found the child there.
Q Was that child kept by your family? A Yes sir my father took the child and kept it 3 or 4 years.
Q Was that boy living in your family when the 1880 Census Roll was taken? A I cannot say positive, I rather think it was.
Q Do you know who the father of that boy was? A No sir.
Q Do you know who is his mother? A No sir.
Q About how old would this Willie Mitchell be if he was living at present? A I expect probably he would be somewheres about 30 years old I reckon.
Q What became of that child? A My mother taken him to Ft. Smith and put him in the poor house.
Q Do you know whether or not he was put on the 1880 Roll along with the members of your family? A I don't know, no sir.
Q If he was on that roll at all, he would be along with the members of your family doubtless would he not? A Yes sir, doubtless he would.
Q Is that boy living or is he dead? A He is dead.
Q How long has he been dead? A About 23 or 24 years, he has been dead a good while.

The applicant, Willie Mitchell, is identified on the 1880 Cherokee Tribal Roll, Sequoyah District, No. 828, and is listed for enrollment from information on Cherokee D-2187.

Gentlemen:

Since our last report we have taken testimony in the following cases:

C.D.-2139-- Canehie, which shows the applicant to have died prior to September 1, 1902.

C.D.2880-- Mary Weavel, now Mary Eversalts, which evidence tends to show that the applicant may be a duplicate.

C.D. 2187-- Willie Mitchel, which shows the applicant to have died prior to September 1, 1902.

C.D. 2199, Tom Russell, which shows the applicant to have died prior to September 1, 1902.

C.D. 2180, Daive Wohnson, which shows the applicant to have been on the scout but is now in Jail at Vinita, Indian Territory.

C.D. 2198, Jim Purdue, which shows the applicant to have died prior to September 1, 1902.

C.D. 3064, Mary Chu-cu-late, which shows that this applicant is now living and belongs to that class of citizens who oppose the allotment of lands.

Dear Colleague:

I am writing to ask your support for H.R. 2668, a bill to authorize the Librarian of Congress to enter into a contract with the Library of Congress Trust Fund Board for the operation of a concession to provide food and beverage services in the Library of Congress Madison Building.

The Library of Congress Trust Fund Board has been operating a concession in the Madison Building since it opened in 1980. Currently, the concession is operated by Guest Services, Inc. under a contract with the Trust Fund Board. The contract expires on September 30, 1985. The Trust Fund Board has solicited proposals for a new contract and has received a proposal from Guest Services, Inc. to continue operating the concession. The Trust Fund Board has determined that the proposal is acceptable and that it is in the best interests of the Library to enter into a new contract with Guest Services, Inc.

Section 2 of the Act of June 20, 1938 (2 U.S.C. 167f) requires that any contract for the operation of a concession in the Library of Congress Buildings be authorized by law. Accordingly, H.R. 2668 would authorize the Librarian of Congress to enter into a contract with the Trust Fund Board for the operation of a concession to provide food and beverage services in the Madison Building.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Taylor Ose as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Taylor Ose is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On June [illegible], 1905, a published list containing the names of all persons [illegible] in these applications, who had not thereto[illegible] such [illegible] law, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and [illegible] was given that the applications for the enrollment of the persons named in said list concerning whom no information which could be secured prior to December 1, 1905, would be dismissed unless information had been obtained tending to show the status of Taylor Oss on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Taylor Oss as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

It is further shown, from the evidence herein, that the said Tom Rogers, Susie Rogers, and Sookie Rogers died prior to September 1, 1902.

In the matter of the application for the enrollment of

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Joe Rogers as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Joe Rogers is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications. The Cherokee enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Isaac Rogers as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Isaac Rogers is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 21, 1906, a published list containing the names of all persons enrolled as Creek citizens, who had not theretofore been enrolled for, was issued at the office of the Commissioner to the Five Civilized Tribes at Muskogee, Indian Territory, and thereafter, and prior to the 1st day of September, 1906, was given general circulation at the Muskogee and Eufaula offices, and elsewhere, and notice was given that the application for the enrollment of persons named in said list appearing thereon as Freedmen would be dismissed unless proof in support thereof was filed with the Commissioner to the Five Civilized Tribes at Muskogee, Indian Territory, on or before September 1, 1906, after which time no information or application was to be received relative to the status of persons appearing on said list as Freedmen.

It is the opinion of this office that the application for the enrollment of Isaac Rogers as a citizen of the Muscogee Nation be, and the same is, hereby dismissed, without prejudice.

JAN 11 REC.

Sallisaw, Indian Territory, January 11, 1904.

Commission to the Five Civilized Tribes,

Tahlequah, Indian Territory.

Gentlemen:

In reply to the Commission's letter of December 19, relative to the enrollment of one John Sanders and his wife, Lou, a white woman, as citizens of the Cherokee Nation, I beg to state that I am not the John Sanders referred to in that letter. I have never lived in Cooweescoowee District, nor have I ever had a wife by the name of Lou Sanders.

I applied for enrollment before the Commission at Sallisaw in 1900, and am listed on card 990. My wife, Tennie Sanders, is listed on card 9503.

I do not know any such person as John Sanders, who has a wife name Lou Sanders, living in this vicinity.

Respectfully,

John Sanders

In the matter of the application for the enrollment of Mariah Silk as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mariah Silk as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Mariah Silk is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1906, a published list containing the names of [illegible] persons included in [illegible] applications, who had not [illegible] been enrolled, was issued in the form of a supplement to [illegible] in general circulation in the Cherokee and Creek [illegible] and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed if no information had been obtained tending to show the status of Mariah Silk on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mariah Silk as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

In the matter of the application for the enrollment of VIRGIL SIMCO as a citizen by blood of the Cherokee Nation.

SUPPLEMENTAL TESTIMONY.

GEORGE W. BETHEL, being duly sworn and examined by the Commission, testified as follows:

Q What is your name? A George W. Bethel.
Q How old are you? A 38.
Q What is your postoffice address? A Muldrow.
Q Are you a member of the Cherokee National Council? A Well, I'm Committee Clerk.
Q Mr. Bethel, an application has been made to this Commission for the enrollment, as a citizen by blood of the Cherokee Nation, of Virgil Simco, aged at this time about 25 years, whose name appears on the 1880 roll, Sequoyah District, with the family of Elizabeth Simco, a white woman, and Joseph Simco?
A I know them both; relation of mine.
Q What is this Virgil's correct name? A Virgil Wyatt.
Q Where is he now? A I couldn't tell; I understood he went to Texas.
Q When did you first become acquainted with him? A When he was a baby.
Q Was he any relation of yours? A Yes sir.
Q What relation? A His mother was a cousin of mine on my father's side and she married my mother's brother; double kin folks; she was my aunt by marriage and was a cousin on my father's side before she married into the Simco family.
Q You knew this man very well then? A Yes sir.
Q Was he a Cherokee by blood? A No sir.
Q What was his father's name? A Doctor Wyatt.
Q What was his mother's name? A Elizabeth Simco before she married Wyatt.
Q Was Doctor Wyatt a Cherokee? A No sir.
Q Never claimed to be? A No sir.
Q Elizabeth Simco was a Cherokee only by intermarriage? A Never claimed anything else, no sir.
Q After she married Wyatt, she married a man named Simco? A She married Simco first and then after he was killed she married Wyatt. You'll see he's registered there with Leaf Simco his halfbrother. His mother's maiden name was Elizabeth Bethel; she's about a 3rd or 4th cousin of mine.
Q You think this name, Virgil Simco is intended for your cousin, Virgil Wyatt? A Yes sir.
Q There was never any such person as Virgil Simco? A No sir, never was; there was 2 children but he was commonly called Simco; I don't know whether they ever were married to tell the truth. They're both dead.

Q This Virgie Wyatt, if he is enrolled as a Cherokee by blood, that's a mistake, is it? A Yes sir, mistake.
Q Where is he now? A I don't know; the last information I had he was in Texas. His halfbrother lives right this side of Fort Smith now.
Q How long since he left the Cherokee Nation? A Must have been about 15 years ago. I think some of his father's relations got him to go to Texas.
Q Has he ever been back to the Cherokee Nation since that time?
A No sir, I think not; if he has, I never heard of it.
Q You are close enough related to have heard of it if he had been back here, are you not? A Yes sir.
Q Does he own any property here? A No sir, never did that I know of; I never knew of him claiming citizenship.
Q And he moved away from here and hasn't been back in 15 years?
A Yes sir, about that time.

Commission: The name of Virgil Wyatt is not identified upon any tribal roll in the possession of this Commission, except the 1880 authenticated roll.

The record herein shows that on June 30, 1902, Emmett Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Virgil Simco as a citizen of the Cherokee Nation. Further proceedings were had in the matter of said application at Tahlequah, Indian Territory, on November 17, 1903.

The evidence shows that the applicant was born in the Cherokee Nation; that he is the son of Elizabeth Simco and one Dr. Wyatt, both white persons, and it is considered that the proper name of the applicant is Virgil Wyatt. He is identified on the authenticated tribal roll of 1880, but on no other tribal roll of the Cherokee Nation.

The evidence further shows that the said Virgil Wyatt left the Cherokee Nation some 15 years ago, and has resided all of that time beyond the limits of said nation, and that his present residence is unknown. It does not appear that he owns or controls any property in the Cherokee Nation.

Section 8, Article 2 of the Cherokee Constitution provides that:

> ". . whenever any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease; provided, nevertheless, that the National Council shall have power to readmit, by law, to all the rights of citizenship, any such person or persons who may, at any time, desire to return to the Nation, on memorializing the National Council for such re-admission."

It is, therefore, the opinion of this Commission that Virgil Wyatt has forfeited his citizenship in the Cherokee Nation, and that the application for his enrollment as a citizen of said Nation, should be denied, and it is so ordered.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed a report from the Commission to the Five Civilized Tribes, dated January 11, 1905, transmitting the record of the application for enrollment as a citizen by blood of the Cherokee Nation by Virgil Wyatt.

January 11, 1905, the Commission decided adversely to the application.

The record shows that the applicant was born in the Cherokee Nation of white parents. He is identified on the 1880 authenticated Cherokee roll but upon no other tribal roll of that Nation.

It is further shown that the applicant left the Cherokee Nation fifteen years ago; that his present residence is unknown and that he does not own or control any property in the Cherokee Nation.

In view of the record the approval of the Commission's decision adverse to the applicant is recommended.

Very respectfully,

The Secretary of the Interior.

Sir:

The Commission is in receipt of Departmental communication of January 27, 1905 (I. T. D. 886-1905), relative to the Cherokee enrollment case of Virgil Wyatt, in which information is requested as to when and in what manner the Commission gave notice of its decision of January 11, 1905, denying the application for the enrollment of said applicant.

In reply I have the honor to advise that the applicant, Virgil Wyatt, was listed for enrollment as a citizen by blood of the Cherokee Nation upon the relation of Emmet Starr, the name of the said applicant appearing upon the 1880 Cherokee roll.

Thereafter and on November 17, 1903, as will appear from the record transmitted with this decision, George W. Bethel appeared before the Commission and testified that he is a relative of the said Virgil Wyatt and that the applicant had left the Cherokee Nation some fifteen years prior to that time and that his whereabouts after his removal from the Cherokee Nation, were unknown. The said George W. Bethel also testified that he never knew of the applicant owning any property in the Cherokee Nation or making

Addie Beamer (Cherokee 3-2046) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 341), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

In the matter of the application for the enrollment of Ouah-leg-coom-ku Walker as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ouah-leg-coom-ku Walker as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ouah-leg-coom-ku Walker is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

On June 2, 1905, a published list containing the names of [illegible] Nation in these applications, who had not complied with [illegible] was issued in the form of a Supplement to [illegible] in general circulation in the Choctaw and Creek Nations was given that the applications for the enrollment of the persons named in said list appearing there on behalf of [illegible] could be examined prior to December 1, 1905, would be dismissed for want of information that had been obtained tending to show the status of Ouah-leg-oon-ka Walker on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ouah-leg-oon-ka Walker as a citizen of the Choctaw Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Cahenahe Walnut as a citizen of the Cherokee Nation,

THE EVIDENCE IN THIS CASE SHOWS: That said Cahenahe Walnut is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 25, 1902, a published list containing the names of all persons included in these applications, who had not theretofore been enrolled, was issued in the form of a supplement to the newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of persons named in said list concerning whom no information could be secured prior to December 1, 1902, would be dismissed if no information has been obtained tending to show the status of Cahemahe Walnut on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Cahemahe Walnut as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Sam Anderson as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Sam Anderson is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 25, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been enrolled, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed unless information has been obtained tending to show the status of Sam Anderson on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Sam Anderson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed without prejudice.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been enumerated for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. DEPARTMENT OF THE INTERIOR

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of _____ Ah-le-cha as a citizen of the Cherokee Nation.

--:--

D E C I S I O N .

THE RECORDS OF THIS OFFICE SHOW: That, on June 30, 1902, at Muskogee, Indian Territory, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of _____ Ah-le-cha as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2252.

The records further show that said applicant possesses the right to enrollment as a citizen of the Creek Nation, and that he is duly enrolled as a citizen thereof, his name appearing on Creek Indian card, Field No. 3066, that his enrollment as such has been approved by the Secretary of the Interior, and that voluntary selection of land as his allotment has been made in said Nation.

Paragraph eight, section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495), provides:

> "The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

It further appears that no formal election was made by or for the said Ah-le-cha to be enrolled as a citizen of the Creek Nation, but it is considered that the voluntary selection of his allotment of land in said Nation is equivalent to an election.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight, section twenty-one of the Act of Congress above noted, Ah-le-cha is not entitled to enrollment as a citizen of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Wm. R. Bean as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Wm. R. Bean is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1904, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

No information has been [redacted] to show the status of Wm. R. Bean on September 1, 1906.

IT IS THEREFORE ORDERED that the application for the enrollment of Wm. R. Bean as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Sally Bird as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Sally Bird is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

[redacted] containing the n[redacted] who had not theretofore [redacted] of a supplement to [redacted] Cherokee and Creek [redacted] for the enrollment [redacted] them be informed [redacted] would be dismissed [redacted] to [redacted] the status of Sally Bird [redacted] by 1906.

It is [redacted] that the application for the enrollment of Sally Bird as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Akie Beamer (Cherokee 3-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Q What nationality is the man you speak of? Is he a white man, a Cherokee or a Freedman? A He is a Freedman, he is a colored man.
Q Is he a recognized citizen of the Cherokee Nation? A I don't know whether he is not? He has always been here with us ever since he came out of the army. He has been here voting and going on.
Q Was the Cornice you speak of at one time married to a citizen by blood of the Cherokee Nation? A She was Aunt Fannie, she was a slave pretty much more Indian than anything else.
Q Do you know whether she passed as a Cherokee by blood?
A I don't know, she didn't pass as a Cherokee by blood. She passed as a Cerokee Freedman like the balance of us.
Q What was her name? A Fannie Sanders before she married this man.
Q About when were they married? A number of years ago?
A Yes sir, I could not tell exactly what year her and him was married. Him and Fannie, they were married at Fort Sill. He was a soldier, and she went with him, and after they were there they married. They have been here ever since.

The Andrew Cornice in question is identified upon the 1880 authenticated roll of citizens of the Cherokee Nation
Page 742, #362, Tahlequah District, native Cherokee, age 21.
Note: Probably colored.

It is shown from an examination of the copy of the 1880 authenticated roll of citizens of the Cerokee Nation, that the only person by the name of Cornice identified upon said roll in Tahlequah District, is one Fanny Cornice
Page 10, #327, adopted colored, age 56.

Q About how old would the Fanny Cornice you speak of be now if she were living? A I don't know her age. She was somewhere about sixty.
Q She would have been older than you are? A Yes sir. She would have been older than sixty if she was living until now. There was two sisters of them, Aunt Fanny and Aunt Mary. Mary told me she was three or four years old when she came from the Old Nation. She was big enough to recollect. She didn't show that she was old enough, she was like myself, didn't show her age.
Q Is the Cornice you speak of older or younger thn you? A He looks younger than me. He looks pretty rough too, pretty weather-beaten.

This testimony will be fileed and considered for whatit is worth in the caseof Andrew Cornice, Cherokee Doubtful case 2273.

Akie Beamer (Cherokee 2-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of May-bell Cooran as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said May-bell Cooran is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On June 21, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been enrolled, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of May-bell Cooran on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of May-bell Cooran as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 28 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rowell, J. W. Horn, David McDaniel, George Morgan, W. J. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Arlsey Dave as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Parmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Arlsey Dave as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Arlsey Dave is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Arlsey Dave on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Arlsey Dave as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of H. R. Foreman as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of H. R. Foreman as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said H. R. Foreman is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-5-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of H. R. Foreman on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of H. R. Foreman as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Muskogee, Indian Territory.

Gentlemen:

It appears from the records of this division that one Lewis Flowers, whose name appears on the Cherokee tribal roll of 1880, in Tahlequah District, is originally enrolled on Cherokee roll card, field No. 2280, and that his name is included in the partial roll of Cherokee citizens by blood, approved by the Secretary of the Interior on March 28, 1903.

On the roll of 1880 with the said Lewis Flowers appears the name of Willie Flowers, who is in all probability, his brother, and who has been listed from information for enrollment as a citizen of the Cherokee Nation on Cherokee card No. D 2325.

You are requested to inform this division whether application has been made to your division for the enrollment as a Creek citizen of the said Willie Flowers, who would now be about 30 years old.

Please refer in your reply to D 2325.

Respectfully,

Commissioner in Charge

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Lewis Flowers as a citizen of the Cherokee Nation.

D E C I S I O N .

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, at Muskogee, Indian Territory, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Lewis Flowers as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2326.

The records further show that said applicant possesses the right to enrollment as a citizen of the Creek Nation, that he is duly enrolled as a citizen thereof, his name appearing on a partial list of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 28, 1902, and that a voluntary selection of land has been made for him in said Nation.

Paragraph eight of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495), provides:

> "The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

It further appears that no formal election was made by or for the said Lewis Flowers to be enrolled as a citizen of the Creek Nation, but it is considered that the voluntary selection of his allotment of land in said Nation is equivalent to an election.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight, of section twenty-one, of the Act of Congress above noted, Lewis Flowers is not entitled to enrollment as a citizen of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

Akie Beamer (Cherokee D.#948) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Elizabeth Haemen as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Elizabeth Haemen is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names are found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Elizabeth Hasmen on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Elizabeth Hasmen as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Ida Beamer (Chy 3-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

In the matter of the application for the enrollment of James Horton, as a citizen by intermarriage of the Cherokee Nation.

---: D E C I S I O N :---

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogee, Indian Territory, and made application for the enrollment of James Horton, as a citizen by intermarriage of the Cherokee Nation. Additional proceedings were had in the matter of said application, at Tahlequah, Indian Territory, on August 23, 1902, and March 16, 1906.

The evidence in this case shows that the said James Horton, who is identified upon the 1880 Authenticated Cherokee Roll, removed from the Cherokee Nation in about the year 1885, to the State of Texas, and that since said time he has not returned to the Cherokee Nation, and possesses no property located therein.

In view of the above facts it is considered that said applicant has forfeited his rights to citizenship in the Cherokee Nation, under the provisions of Section II of Article I of the Cherokee Constitution, which, in part, provides:

> "Whenever any person shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease."

It is therefore the opinion of this Commission that the application made for the enrollment of James Horton, as a citizen by intermarriage of the Cherokee Nation, should be denied under the provisions of Section 21 of the Act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

In the matter of the application for the enrollment of Anna Main as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Parmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Anna Main as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Anna Main is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Anna Hain on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Anna Hain as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee 2-9048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rysell, J. W. Fern, David McDaniel, George Morgan, W. J. Dear Tribal Council Member:

I have been approached by many Cherokees who are concerned about the future of the Cherokee Nation. Many of these people have asked me to run for Principal Chief in the 1983 election. I have given this request much thought and prayer and have decided to run for re-election.

During the past two years, we have made many changes in the way the Cherokee Nation does business. We have established a new relationship with the Bureau of Indian Affairs and have begun to receive the services we are entitled to as a federally recognized tribe. We have established a new relationship with the State of Oklahoma and have begun to receive the services we are entitled to as a federally recognized tribe. In the matter of the application for the enrollment of Wm. Hendricks as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Wm. Hendricks as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Wm. Hendricks is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Wm. Hendricks on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Wm. Hendricks as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

In the matter of the application for the enrollment of Jennie Hailetack as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Jennie Hailetack as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Jennie Hailetack is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the [illegible] of all persons included in these applications, who had not [illegible] fore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Jennie Hailstack on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Jennie Hailstack as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Permet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Nancy Hailstack as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Nancy Hailstack is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nancy Hailstack on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nancy Hailstack as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Cher D 2347

Dear Sir:

I am writing to you on behalf of myself and my fellow Americans to express our deep concern about the recent decision by the U.S. Department of Agriculture to allow the importation of fresh beef from Argentina into the United States. As you know, Argentina has been battling outbreaks of foot-and-mouth disease for many years, and we are worried that this decision could put our own cattle industry at risk.

We understand that the USDA has implemented certain safeguards to prevent the spread of disease, such as requiring that the beef be processed in certain facilities and that it be accompanied by certain documentation. However, we are not convinced that these measures are sufficient to protect our country from the potential devastation that an outbreak could cause.

We urge you to reconsider this decision and to take all necessary steps to ensure that our borders remain closed to imports of beef from countries where foot-and-mouth disease is present. We believe that the health and well-being of our nation's cattle herds should be the top priority, and we hope that you will share this concern.

Thank you for your attention to this matter.

Sincerely,

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Eysell, J. F. Horn, David McDaniel, George Morgan, W. J. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Oo-ye-ste Johnson as a citizen of the Cherokee Nation.

O R D E R ..

--o--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Oo-ye-ste Johnson as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Oo-ye-ste Johnson is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land offices opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Oo-ye-ste Johnson on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Oo-ye-ste Johnson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of JACKSON KELLY as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902 application was received by the Commission to the Five Civilized Tribes for the enrollment of Jackson Kelly as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, August 19, 1902, and November 19, 1903.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Jackson Kelly, a white man, was at one time married to Rachel Kelly, whose deceased, a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Tahlequah District No.1202 as a native Cherokee, and with whom he resided until her death, which occurred about 1895. It is further shown that subsequent to the death of said Rachel Kelly and prior to September 1, 1902 the said Jackson Kelly married a white woman. The date of said marriage of said Jackson Kelly to his Cherokee wife cannot be definitely established, but it is considered that, even had it been prior to November 1, 1875, the said Jackson Kelly, by reason of his marriage to a non-citizen of the Cherokee Nation, forfeited whatever right he may have acquired to enrollment as a citizen by intermarriage of the Cherokee Nation by virtue of his marriage to the said Rachel Kelly. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 as an adopted white, marked as follows: "Married out. Does not apply."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs. the United States Nos. 125, 126, 127 and 128, the said applicant, Jackson Kelly, is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith four communications from Commissioner Bixby, enclosing records in the following Cherokee intermarried citizenship cases:

Sarah Jane Harlan,
Jackson Kelly,
Alburton Brown, and
James A. Nolen.

The records in these cases have been carefully examined by the Office, and the names of none of the applicants are found on the 1880 roll except that of Jackson Kelly. The record in his case does not show the date of his marriage, but it is shown that subsequent to the death of his first wife in 1895, he married a white woman. The notation on the tribal roll of 1880 shows "married out does not apply".

The Office is of the opinion that the decision of the Commissioner in each of these cases is correct, and it is recommended that they be affirmed.

By the Commission:

Q. What is your name? A. Arch Miller.
Q. Do you know one, Henry Miller who is on the 1880 Tribal Roll of the Cherokee Nation? A. Yes sir.
Q. What is your post office address? A. Summit, Indian Territory.
Q. What relation is Henry Miller to you? A. He is my brother.
Q. Full brother? A. Yes sir.
Q. Same father and mother? A. Yes sir. He is the only brother I have got.
Q. How much blood has he? A. His father was a half breed and his mother a quarteroon.
Q. That would make him three eights Cherokee. He was born and raised in the Cherokee Nation? A. Yes sir.
Q. Is he living in the Cherokee Nation now? A. He was in Washington Territory the last account I had of him.
Q. When did you last hear from him? A. In '96.
Q. Was he at that time in Washington? A. Yes sir.
Q. And you have not heard from him since? A. No sir.
Q. You do not know whether he is living or not? A. No, I do not.
Q. Never had a word from him, either directly or indirectly since then? A. No sir. I have never knowed what his post office was since then.
Q. Do you know of anybody that is likely to know about him now? A. No sir, I do not.
Q. How long had he been in Washington when he wrote you? A. He never wrote. Another man come back from out there who had seed him.

Q. When was that? A. It must have been about '78 when he went there and married.
Q. Since '78 he has not lived in the Cherokee Nation at all? A. No sir.
Q. If he had been living in the Cherokee Nation you would have known it, wouldn't you? A. Yes sir. That is all I know. I don't know who put that in.

Q. That is easy to explain. All the names that were on the 1880 roll were considered to be entitled to be put on the final roll, and that is how it came on here. In going over them we saw that your name came right next to his, and supposed you were a relative, and thought perhaps you would know something about him.

Q. You say he was married? A. Yes sir, and the last time I heard from him he had a child.

A If he has I don't know it.
Q Has he ever retained any property interests in the Cherokee Nation? A Since then?
Q Yes. A My father drew for him in '80 I think, in the 1880 Payment, $15.60 I think. My father drew for him.
Q Since that time has he ever drawn any money? A No never drawn any since.
Q Has he ever owned a farm or anything like that since then in the Cherokee Nation? A Nothing only a horse and I kept that for him until it died.
Q He left the horse here in 1880? A Somewhere about t at time. I can not tell you exactly when, somewheres in '80--1880.

Q You say 1898 was the last time you heard of him? A Yes, he was in Washington Territory and had one child.
Q And you never heard of him since? A No sir, I don't know his post-office or what county he is in or nothing.
Q Do you know whether he has voted where he has been outside of the Cherokee Nation? A No sir.
Q In fact, you don't know anything about him, practically, since 1880? A No sir, I don't suppose I know any more than you do.
Q He has never, since 1880, identified himself in any way with the Cherokee Nation? A Not as I know of.

CHEROKEE D-2362

In the matter of the application for enrollment as a citizen of the Cherokee Nation of Henry Miller.

SUAGE L. MILLER, being first duly sworn and examined, testified as follows:

DIRECT-EXAMINATION

On behalf of the Commissioner:

Q What is your name? A Suage L.Miller.
Q How old are you? A 25.
Q What is your post office? A Tahlequah.
Q You are the City Marshall of Tahlequah? A Yes sir.
Q You want to give some testimony, I believe, in regard to the enrollment as a Cherokee of a brother of yours, name of Henry Miller? A Henry Miller, half-brother.
Q About how old would he be at this time? A Somewhere between 45 and 50, as well as I remember.
Q What was his father's name? A Lewis Miller.
Q Is he dead? A Yes sir.
Q He was a Cherokee? A Cherokee by blood, yes sir.
Q Lived in Tahlequah District? A Yes sir.
Q Who was Henry Miller's mother? A I do not know what her maiden name was; her first name was Saphronia.
Q Is she dead? A Yes sir.
Q Was she a Cherokee? A I think she was a white woman.
Q What degree of Cherokee blood was your father? A He was about a half-breed.
Q Henry Miller would be about a fourth, then. A Yes sir.
Q Do you know where Henry Miller was born? A He was born in Georgia, as well as I remember.
Q He came out here after the General Emigration? A Yes sir, he was an emigrant.
Q He came out here before 1880? A Yes sir.
Q Was he on the 1880 roll? A Yes sir.
Q Is he living in this country now? A If he is, I don't know it. I don't know anything about it; it has been 25 years since we had anything from him.

Q He disappeared from your acquaintance soon after the 1880 roll was made, then? A Yes sir, it has been longer than that. He was ba ck here, I believe it was in '79, somewhere - I thank it was in '79, along in July.

Q When he left here, where did he go? A He went back to Missouri. He lived in Missouri and had a family; he married a white woman named of Griffin, and he had two children at the time he wa s at home.

Q When he was here in '79, then, as I understand, he had already left this country, and was back here on a visit? A Yes sir.

Q And he was living in Missouri? A Yes sir.

Q Then after the visit - after he left here after his ex visit, do you know where he went? A He left Missouri and we had a letter from his wife. He had went out into Colorado to look up a location up there. He got in some trouble in Missouri, and he was tried and it broke him up, and he went out to Colorado to look up a location, and he moved out there and we never heard from him.

Q What year was that? A About '80, I suppose .

Q Then, when he was supposed to go to Colorad, to this time, you have heard nothing of him? A No sir.

Q Your family ever hear of him or has he been lost? A Been lost.

Q When he lived here, did he have any property in the Cherokee Nation? A Why, I am unable to say, Mr. Jones, whether he did or did not.

Q Has he got any property here now? A None that I know of.

Q Do you know whether he has drawn any money in the Cherokee Nation since 1880? A I think father drew for him in '80.

Q Was that the bread money? A I think so.

Q That, as a matter of fact, was in 1879, wasn't it, tha t payment made by Lipe, knwn as the bread payment? A I think it was. I could tell my refreshing my memory.

Q It is not specially material. Was either the '79 or '83 payment, one or the other. A One of the two. I remember very well that my father told me he drew his money.

That is the last time he has drawn any money in the Cherokee Nation? A Yes sir.

Q And if he had any property in the Cherokee Nation, you have not known of it? A Have not known of it.

Q Your father is dead, Mr. Miller? A Dead, yes sir.

Q He was also Henry Miller's father? A Yes sir.

Q Do you know whether your father managed any property - either personal or real estate or cattle or anything of that kind for Henry Miller? A When he left home?

Q After Henry Miller left. A Yes. After he left gome, I think he had some horses and cattle, and probably some hogs. He only had one fullbrother - Arch Miller - he lives down in the Canadian, and I heard father talk of him in the family, through one another, and my brother and him made a crop at home, that year, and he had some horses.

Q What became of those horses, do you know? A I don't know. I think probably father disposed of them after he could not find out where he was at.

Q Well, you don't think he has any property here now of any kind, do you? A I don't think he has. Not that I know of.

Q And so far as you or any of the members of the family know, he is still in Colorado - you have not heard of him since he went to Colorado 25 years ago? A No sir. We wrote to the cheriff of Missouri after he left there and we got a letter from him stating that he had gone to Colorado, and we have not heard af from him since

I, Giles A. Penick, being sworn, state that as stenographer to the Commissioner to the Five Civllized Tribes, I recorded the testimony and proceedings in the above entitled and numbered cause, and that the foregoing is a true and complete transcript of my stenographic notes therein.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Henry Miller as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Henry Miller is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land offices opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Henry Miller on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Henry Miller as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee 3-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rysell, J. W. Horn, David McDaniel, George Morgan, W. J. Akie Beamer (Cherokee D-8048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 26 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Rowell, J. W. Horn, David McDaniel, George Morgan, W. J. Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Francis Marion as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Francis Marion is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land offices opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed No information has been obtained tending to show the status of Francis Marion on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Francis Marion as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Dear Commissioner Welsh:

I am writing to request your assistance in the matter of the playground at [illegible] Park.

As you know, this playground has been in existence for many years and has served the children of the neighborhood well. However, the equipment is now in need of repair and replacement. The swings are broken, the slide is rusted, and the sandbox is filled with debris.

I have received numerous complaints from parents who are concerned about the safety of their children. I have also received a petition signed by [illegible] residents requesting that the playground be renovated.

I would appreciate it if you could look into this matter and let me know what can be done. I am available to discuss this further at your convenience.

Thank you for your attention to this matter.

SUPPLEMENTAL TESTIMONY AND PROCEEDINGS in the matter of the application for the enrollment of DANI MIXTWATER as a citizen by blood of the Cherokee Nation.

MARTIN SQUIRREL, being first duly sworn, and being examined, testified as follows:

BY COMMISSION;

What is your name? A Martin Squirrel.
Q How old are you? A Thirty-six.
Q What is your post office address? A Peggs.
Q You are a recognized citizen by blood of the Cherokee Nation?
A Yes sir.
Q Do you know Dani Mixtwater? A Yes, it is likely there may be a Dave that was enrolled at that time, I know Dave.
Q You don't know, then, a person named Dani Mixtwater? a male, in 1880 about twenty years old? A No sir.
Q Is Dani a female's name among the Cherokees? A I think so. I have heard of several girls of that name.
Q Did you ever hear of a man by that name? A No, I have heard of Dan.
Q About how old? About how old would the Dave Mixtwater be that you speak of? A He would be about thirty or forty-five years old, if he was living.
Q Was he a Cherokee full blood? A Yes sir.
Q Do you know the name of his father? A Yes sir, Mixtwater, that's all the name he ever had.
Q Is he living? A No, I don't think he was living in 1880. He died before that. I am not sure of that, though.
Q Do you know the name of the mother of Dave Mixtwater? A I know her Cherokee name, Geesquanigawli. Paulina was her English name. She went by that name about that, but Paulina would be her English name if she had any. But the woman is living, Dave's mother.
Q Was Dave living the last time you heard of him? A Yes sir.
Q Do you know his present post office address? A No sir.
Q In what district does he reside? A In Sequoyah the last time I heard of him.
Q Do you know whether he is married or not? A I think he was married. I heard he was married and had a family. I don't know anything about how long he has been married.
Q Do you know whether Mixtwater's wife married after his death?
A Yes, she is married.
Q Do you know the man she married? A No sir, she married after she went down to Sequoyah. She is living, I heard of her being living.
Q Do you know of Dave Mixtwater ever going by any other name besides Mixtwater? A No sir.
Q Was he a recognized citizen by blood of the Cherokee Nation?
A Yes sir.
Q In what district would he have been living in 1896? A I could not say for sure what district. I am not sure if he is in Sequoyah or Flint now, it would be one of those two. May be in Tahlequah. It seems like they had him in Tahlequah at that time, right in Tahlequah jail.
Q How long since you saw Dave? A I have not seen him since the Strip payment. That is the last time I ever saw him, he may be dead
Q You have not heard of his death? A No sir.
Q The records of this Commission show that David Mixtwater, who lived in Tahlequah District in 1896 is dead? A He may be dead.

The roll of 1880 examined for David Mixtwater, and his name cannot be identified of record thereon. From the testimony just taken, it would appear that the Dani Mixtwater identified on the roll as a male twenty years of age, is evidently David Mixtwater who is now dead, there being no further information secured relative to the Dani Mixtwater listed for enrollment on doubtful card 2375, it is ordered that the application for her enrollment be discontinued, and her name checked off the roll of 1880 as being dead.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, And notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Dani Mistwater on September 1, 1901.

IT IS THEREFORE ORDERED: That the application for the enrollment of Dani Mistwater as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Chapter 2: Beginning with the Basics

Dear Jane,

Thank you for your letter. I'm glad you're enjoying your new job. Sounds like a lot of responsibility, but I'm sure you're up to it.

Things are fine here. Mom's been busy with her garden, and Dad's been working on the car. He finally got it running last week, after replacing the carburetor and the fuel pump. I'm not sure what was wrong with it, but he seems pretty happy now that it's fixed.

I've been keeping busy with school and my part-time job at the library. I'm thinking about applying to graduate programs in library science for next fall. It's a lot of work, but I really enjoy helping people find the information they need.

Write back soon and let me know how you're doing. I miss you!

Love,
Mom

Dear Mom and Dad,

Thanks for your letter! It's great to hear that you're both doing well. I'm glad Dad got the car fixed—I know how frustrating it can be when something breaks down and you don't know what's wrong with it.

Work is going well. I've been assigned to a new project that's pretty challenging, but I'm learning a lot. My boss is really supportive and has been giving me some great opportunities to take on more responsibility.

I've been thinking about graduate programs in library science too. I'm not sure if I want to go right away or take a few years off to work first. I'll have to do some more research and talk to my boss about it.

Love,
Jane
